

AD Starrling was born on the small island nation of Mauritius in the Indian Ocean and came to the UK at the age of twenty to study medicine. After five years of hard graft earning her MD and another five years working all of God's hours as a Paediatrician, she decided it was time for a change and returned to her first love, writing. Her debut novel Soul Meaning (Seventeen Book #1) has won and been nominated for several awards. She currently lives in Warwickshire in the West Midlands, where she is busy writing the next installment in the series. She still practises medicine. AD Starrling is her pen name.
